What is ONIGIRI ACTION?

Onigiri Action is an annual autumn social good campaign connecting the simple act of taking a photo with helping to feed school children in need. Every photo of onigiri, a Japanese rice ball, posted to the campaign website or on social media with #OnigiriAction helps provide 5 school meals to children in need around the world.

World Food Day on October 16 was established by the United Nations as a day for everyone to think about food problems in the world. To celebrate World Food Day, TABLE FOR TWO (TFT) holds "Onigiri Action" with the goal to deliver 1 million meals to children in need every year.
